    "email": "vijaynv10@gmail.com",
    "institution_name": "University of Melbourne",
    "pronoun": "he/him",
    "orcid": "0000-0002-1196-6279",
    "password": "password@D5"
}
```

POST   Signups by Editor   🔒

http://localhost:8080/client/signup/Editor

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
```

```
{
    "username":"sample_editor",
    "first_name":"Sample",
    "last_name":"Editor",
    "email":"jaiphookan20@gmail.com",
    "orcid": "0000-0002-1196-6279",
    "institution_name":"University of Melbourne",
    "pronoun":"he/him"
}
```

POST Signin

http://localhost:8080/client/signin

Body raw (json)

```json
{
    // "username":"rssriv@student.unimelb.edu.au", - editor
    //"username":"xiyanedwinz@student.unimelb.edu.au", - reviewer
    "username":"akashashok",
    "password":"tyrion@4389"
}
```

POST Forgot Password 🔒

http://localhost:8080/client/reset-password/3c2770f299282c0dcd0865eea72026d6a7a93b29

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "email":"jphookan@student.unimelb.edu.au"
}
```

POST Reset Password
```

http://localhost:8080/client/reset-password/3c2770f299282c0dcd0865eea72026d6a7a93b29

**Body**  raw (json)

```json
{
    "password":"password@D10"
}
```

POST   **Login with Refresh Token**   🔒

http://localhost:8080/client/login-refresh

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "client_id":15,
    "refresh_token":"07b64d9c59f4cdee88e9129327c0be19ed0a7200ed8ae6ab7379cddf1514cf6093d4
}
```

GET   **Valid client test**   🔒

http://localhost:8080/client/test-authorisation

AUTHORIZATION Bearer Token

Token   <token>

GET   **Get All Editors**   🔒

http://localhost:8080/client/get-editors

AUTHORIZATION Bearer Token

Token   <token>

POST   Edit Account 🔒

http://localhost:8080/client/edit-account

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "first_name":"asds333333a",
    "last_name":"fasas4444f",
    "institution_name":"Uni",
    "pronoun":"he/him",
    "orcid": "abc"
}
```

POST   Edit Email ID 🔒

http://localhost:8080/client/edit-email

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "email":"vijaynv1606@gmail.com"
}
```

POST **Edit Credentials** 🔒

http://localhost:8080/client/edit-credentials

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "username":"rssriv@student.unimelb.edu.au",
    "password":"password@D5"
}
```

GET **Role test with Token** 🔒

http://localhost:8080/client/test-role-authorisation

AUTHORIZATION Bearer Token

Token   <token>

GET **Get Reviewers** 🔒

http://localhost:8080/client/get-reviewers

AUTHORIZATION Bearer Token

Token   <token>

POST **Add User Role** 🔒

http://localhost:8080/client/add-user-role

AUTHORIZATION Bearer Token

Token   <token>

Body raw (json)

```json
{
    "newUserId": 2,
    "role": "Editor"
}
```

DELETE   Remove User Role

http://localhost:8080/client/remove-user-role

GET   Get Clients By Name   🔒

http://localhost:8080/editorial-decisions/get-all-assigned-manuscripts

AUTHORIZATION Bearer Token

Token   <token>

Submission related

POST   Manuscript submission   🔒

http://localhost:8080/submission

AUTHORIZATION Bearer Token

Token   <token>

Body formdata

submission_title   My Awesome Research Paper V3

submission_type   Normal

abstract   Update 3

acknowledgements	none
authors	[{"first_name":"John","last_name":"Doe","orcid":"2333"}, {"first_name":"Jane","last_name":"Doe","orcid":"4255"}]
